Work Experience

Weavers Web Solutions Pvt. Ltd., Kolkata Aug 2023 – Present
Quality Assurance Analyst
Projects:

- **Shifter** – Web, Android, and iOS application
- **Room Services AI** (https://alpha.roomservices.ai/) – Web, Android, and iOS application
- **DINKR** – A Pickle Ball Scheduler (Android and iOS application)
- **HRMS (Beacon)** – Human Resource Management System

Roles and Responsibilities:

- Developed comprehensive test plans and test cases, performing both **manual** and **automated testing** on **Web**, **Android**, and **iOS** platforms to ensure seamless functionality and optimal user experience.
- Designed and implemented automated test scripts using **Selenium**, automating critical workflows to enhance test coverage and accelerate release cycles.
- Identified, documented, and tracked defects using **JIRA**, collaborating with developers to troubleshoot issues, validate fixes, and improve software stability.
- Worked within **Agile** and **Scrum** frameworks, participating in sprint activities while maintaining detailed test documentation and providing insights to stakeholders on software quality.

Webstep Technologies Private Ltd., Kolkata Jan 2023 – Aug 2023
Quality Analyst
Project:

- **Bridge and Roof EIS** – Employee Information System and e-Office File Management System
- **IIM Sambalpur** – Recruitment Portal and Admin Panel
- **SAIP 2020**– State Approved Industrial Park 2020 and Project Management System (PMS)

Roles and Responsibilities:

- Developed comprehensive test plans and test cases, ensuring project requirements were met and testing schedules aligned with delivery timelines.
- Conducted thorough manual and automation testing across web platforms, verifying functionality, usability, and seamless feature integration.
- Utilized **JIRA** for defect tracking, collaborated with developers to analyse root causes, recommend fixes, and validate issue resolutions to maintain software quality.
- Created and maintained detailed QA documentation, including test cases and reports, while recommending process improvements to enhance testing efficiency.

Education

Bengal Institute of Technology, Kolkata — Jun 2015 – Aug 2019

B.Tech. in Information Technology

Training

- **Selenium Automation Training** (Completed from QSpiders)
