

DAITA DAS

Ui/ Ux Designer

"Hello, I'm Daita Das, a UI/UX designer passionate about creating user-friendly and visually appealing designs. As a fresher, I've learned about user research, wireframing, and prototyping through my training and personal projects. I'm eager to apply my skills, grow as a designer, and contribute to creating meaningful user experiences."I'm looking forward to starting my professional journey and improving my skills in this creative field."
