PROFILE

A motivated and creative B.Sc. (Hons.) Data Science student at Techno India University with hands-on experience in graphic design, web development, and data analytics. Skilled in combining data-driven insights with innovative design solutions to deliver impactful results. Proficient in tools such as Python, Power BI, Adobe Illustrator, Photoshop, and Figma, with practical exposure through internships at Innofied Solution Pvt. Ltd. and Travarsa Private Limited. Adaptable, detail-oriented, and committed to continuous learning, I aim to contribute effectively to a forward-thinking organization where technology and creativity meet.
